

Buckeye Golf Association Corporate Membership

...Partnership...Advertising...Sponsorship...

BGA's corporate partners are one of our most valued assets to assist in providing information, quality educational and networking opportunities for our members. Our annual budget relies heavily on the generous support of every one of our corporate member partners each year.

You will find we have created a partnership package that will give you outstanding value. With nearly 200 course members, opportunities for your company's exposure are endless.

Look at what your corporate membership gives you –

BGA's News Flash

Produced monthly, the News Flash is emailed/mailed to all members. Your company contact message is presented to BGA members 12 times per year.

BGA's Annual Conference & Vendor Fair

Showcase your company at the annual Vendor Fair. The state's largest gathering of only golf course owners and managers will visit this yearly event. Corporate members pay nothing for exhibit space and one full registration to the conference. (Non-corporate member's rate is \$300)

Other promotional opportunities at the Annual Conference are available to BGA's corporate members. They are given first option to sponsor breaks, meals, speakers, etc. and will be given a 20% discount.

BGA's Membership Packet

We invite your participation in this information packet that is mailed to every member upon their membership renewal or when they become a member. Your promotion is limited to nothing larger than a one sheet 8 ½ x 11. You provide us the information and we'll include it in each membership kit.

Join now as a BGA corporate member and show your support for our members and the Ohio golf industry. A membership application is included.
